

## #2050 Bearly a Month Bonus Extra - Hanukkah Bear for December

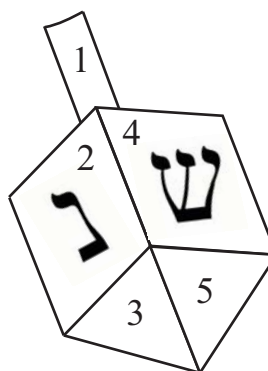

You will need a #2050 Bearly a Month pattern available from Spring Creek NeedleArt (go to [www.ThePatternCo.com](http://www.ThePatternCo.com)) and scraps of fabric to complete the bear. This bear can be substituted for the December bear or completed as an individual wall quilt.

Use the bear's head from the February and the body from the March. Appliqué the yarmulke to the head, centered between the ears; substitute the Dreidel for the shamrock. Draw the buttons or use tiny silver beads.

### Yarmulke

Applique the shaded portion over the head, centered between the ears as shown.

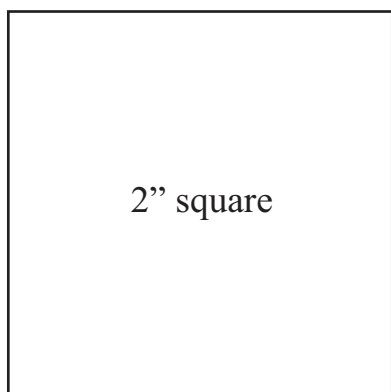

### Dreidel

Optional: Use a darker shade of fabric for 4 and 5; lighter shade for 2 and 3.

Draw Hebrew letters on 2 and 4.

Appliqué:

- bear's left paw over 1
- 4 over 5 and 1
- 3 over 5
- 2 over 1 and 3
